Manassas Award Program Honors the Achievement

MANASSAS May 19, 2016 -- Edge Concrete Company Inc has been selected for the 2016 Best of Manassas Award in the Concrete Contractors category by the Manassas Award Program.

Each year, the Manassas Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Manassas area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Manassas Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Manassas Award Program and data provided by third parties.
